

## CURRICULUM VITAE

**Date:** 12/03/2008

**Name:** Daniela Stangenhau de Carvalho, M.D.

**Business Address:**

3030 Children's Way, Suite 402  
San Diego, CA 92123

**Education:**

- Medical School and Internship  
University of Campinas (UNICAMP)  
School of Medical Sciences (FCM), BRAZIL  
December 1995
  
- Residency: Otolaryngology – Head and Neck Surgery  
University of Campinas (UNICAMP)  
School of Medical Sciences (FCM), BRAZIL  
January 1999
  
- Fellowship: Pediatric Otolaryngology  
Children's Hospital of San Diego, CA  
June 2001

**Licensure and Certification:**

- State of São Paulo, BRAZIL  
January 1996 to September 2003
  
- State of California, License  
Current

**Previous Employment:**

- Attending Staff  
Clínica de Otorrinolaringologia, Instituto Penido Burnier (Aug. 2001 – Jul. 2003)  
Campinas, SP  
BRAZIL
  
- Attending Staff and Coordinator of the Pediatric Otolaryngology Program (Aug. 2001 – July 2003)  
University of Campinas (UNICAMP)  
Department of Otolaryngology – Head and Neck Surgery  
Campinas, SP  
BRAZIL

- Assistant Clinical Professor (since Oct. 2003), voluntary since 2005  
UCSD (University of California at San Diego)  
San Diego, CA
- Attending Staff, Director of the Hearing Program and Surgeon for the Cochlear Implant Team (since Oct. 2003)  
Division of Pediatric Otolaryngology  
Rady Children's Hospital of San Diego  
San Diego, CA

**University Service:**

- Member of the Bylaws committee  
Children's Hospital of San Diego  
Since May 2006
- Member of the contracts committee  
Children's Specialists of San Diego  
Current

**Memberships:**

- ECFMG CERTIFICATE (Educational Commission for Foreign Medical Graduates) - August 1998
- Specialty Board: Otolaryngology  
Brazilian Association of Otolaryngology, Head-Neck-Facial Surgery  
December 1998
- AAO-HNS – American Academy of Otolaryngology Head and Neck Surgery
- IAPO – Interamerican Association of Pediatric Otorhinolaryngology
- ASPO – American Society of Pediatric Otolaryngology
- ABORL-CCF – Brazilian Association of Otolaryngology, Head-Neck-Facial Surgery

**Honors and Awards:**

- "*VIII Pereira Barreto*" award, from the Medicine School of the State of São Paulo for the paper "Efeitos da adrenalina e do glucagon na fosforilação do receptor de insulina e do IRS-1 em tecidos insulino-sensíveis" (in Portuguese), October, 1995.

- “Professor Doutor Silvio dos Santos Carvalho” best student award, from the Department of Internal Medicine, FCM / UNICAMP, December, 1995.
- First Place, Category 3, “16th Annual Academic Research Competition”, Naval Medical Center San Diego, CA, for the paper, “Endoscopic repair of pediatric traumatic laryngeal injury”, April, 2001.
- Selected as one of the “Best Doctors in America”, 2007.

## **External Professional Activities:**

### **1. Conference Posters**

- Saad M. J.A., Hartman, L. G. C., Carvalho, D. S., Galoro, C. A. O., Brenelli, S. L., and Carvalho, C. R. O., “Glucagon and Epinephrine reduce IRS-1 phosphorylation in rat liver”, *76th Annual Meeting of the Endocrine Society*, June, 1994, Anaheim, USA.
- Endo, L. H., Sakano, E., Carvalho, D. S., Bilecki, M. and Oliveira U. M., “Bacteriology of palatine tonsils surface: Comparison between normal and pathological”, *International Symposium on Tonsils*, June, 1995, Sapporo, Japan.
- Endo, L. H., Sakano, E., Carvalho, D. S. and Oliveira U. M., “Bacteriologia das amígdalas: verão X inverno”, (Bacteriology of normal tonsils surface - A comparative study between summer and winter samples), *II Congress of the Interamerican Association of Pediatric Otorhinolaryngology – IAPO*, September, 1997, São Paulo, Brazil
- Endo, L. H., Sakano, E., Carvalho, D. S., Baracat, E.C. and Oliveira U. M., “Bacteriologia das amígdalas: normal X infecções agudas”, (Bacteriology of normal tonsils surface - A comparative study between normal and acute tonsillitis), *II Congress of the IAPO*, September, 1997, São Paulo, Brazil
- Carvalho, D.S., Bernarde, G.E.C., Porto, P.R.C., Siqueira, A.,R., “Histiocitose X do osso temporal como causa de diabetes insípido num paciente de 19 anos”, *XXXIV Brazilian Congress of Otolaryngology*, November, 1998, Porto Alegre, Brazil.
- Crespo, A.,N., Chone, C.T., Carvalho, D.S., Almstaden, I., Guimarães, R.M.M., Fonseca, A.,S., “Correlação anátomo-clínica-radiológica dos tumores ósseos de cabeça e pescoço: benigno versus maligno”, *XXXIV Brazilian Congress of Otolaryngology*, November, 1998, Porto Alegre, Brazil.
- Chone, T.C., Crespo, A.,N., Carvalho, D.S., Silva, A.R., Siqueira, A.,R., Altemani A., “Considerações clínicas e histopatológicas da metástase no ápice

do triângulo posterior nos esvaziamentos cervicais”, *XXXIV Brazilian Congress of Otolaryngology*, November, 1998, Porto Alegre, Brazil.

- Endo LH, Sakano E, Maunsell R, Mezzalira R, Carvalho D, Cury S, “Risk Factors in Recurrent Acute Otitis Media, Silent Otitis Media and Control Group: A Comparative Study”, *14<sup>th</sup> annual meeting of the American Society of Pediatric Otolaryngology and 3<sup>rd</sup> biannual meeting of Interamerican Association of Pediatric Otorhinolaryngology*, April, 1999, Palm Desert, CA, USA.
- Daniela S Carvalho, Joseph L Edmonds, Anthony Magit, Donald Kearns, Seth Pransky, Alan Seid, “Myringotomy tubes and the cleft palate child”, *SENTAC 27<sup>th</sup> Annual Meeting*, December, 1999, Williamsburg, VA, USA.
- Joseph L Edmonds, Daniela S Carvalho, Anthony Magit, Donald Kearns, Seth Pransky, “Subglottic Hemangioma”, *American Academy of Bronchoesophagology*, May, 2000 Orlando, FL, USA.
- Bloom DC, Carvalho DS, Brewster D, Dory C, Wickersham JK, Kearns DB, “Imaging and surgical approach for excision of nasal dermoids”, *16<sup>th</sup> Annual ASPO Meeting*, May 2001, Scottsdale, AZ, USA.
- Jaffe D, Carvalho D, Lindsay F, Collins D, Taylor S, Kang R “Gastric Bypass for the Treatment of GERD in a Compromised Pediatric Patient with a Failed Nissen Fundoplication”, *Dysphagia Research Society*, October 2001, Albuquerque, New Mexico, USA.
- Cecilia Canto, Syboney Zapata and Daniela Carvalho, Heterotopic thyroid tissue in branchial anomaly, *SENTAC (Society for Ear, Nose and Throat Advances in Children) 32nd Annual Meeting*, December, 2004, Toronto, Canada.
- Cecilia Canto and Daniela Carvalho, Susac Syndrome causing sudden hearing loss in a teenager, *SENTAC (Society for Ear, Nose and Throat Advances in Children) 33rd Annual Meeting*, December, 2005, Baltimore, MD, USA.
- Daniela Carvalho, Julie Strickland, Kelly Anderson, Alyson Mellish, and Heather Scott “Unresponsiveness to bilateral cochlear implantation on an otherwise healthy deaf child with an A ChIP score”, *SENTAC (Society for Ear, Nose and Throat Advances in Children) 33rd Annual Meeting*, December, 2005, Baltimore, MD, USA.
- Cecilia Canto, Donald Kearns, Syboney Zapata, Daniela Carvalho and Anthony Magit, “Special surgical considerations in lipofibromatosis of the neck”, *ESPO (European Society of Pediatric Otolaryngology) 2006 Meeting*, June 2006, Paris, France.

- Daniela Carvalho, Alyson Mellish, S. Janae Biard, Catherine Dabasinskas, Melanie Coll, “Should the Modified CHIP Scale be used as a Candidacy Tool in Evaluating Medically Complicated Pediatric Patients for Cochlear Implantation?”, *SENTAC (Society for Ear, Nose and Throat Advances in Children) 34th Annual Meeting*, December, 2006, San Francisco, CA, USA.
- D. Carvalho, A. Mellish, J. Biard, P. Porto, S. Curi, L. Calonga, R. Kang. “Comparison of pediatric cochlear implant patients from a developed and a developing country”, *11th International Conference on Cochlear Implant in Children*, April 2007, Charlotte, NC, USA.
- T.V. Christiani, S. Curi, D. Carvalho, P. Porto, E. Sartorato. “The frequency of 35delG in pediatric cochlear implant patients in two countries on the American continent”, *11th International Conference on Cochlear Implant in Children*, April 2007, Charlotte, NC, USA.
- A. Mellish, D. Carvalho, M. Coll, S.J. Biard. “How do electrical stapedial reflexes compare with neural response thresholds?”, *11th International Conference on Cochlear Implant in Children*, April 2007, Charlotte, NC, USA.
- A. Chang and D. Carvalho. “Unusual Complications of Cochlear Implantation”, *SENTAC 35th Annual Meeting*, November-December 2007, Milwaukee, Wisconsin, USA.
- J. Biard, A. Needleman, M. Coll, A. Mellish, S. Goldgrub and D. Carvalho. “Routine assessment indicates appropriate hearing aid benefit: Can we do better?”, *10th International Conference on Cochlear Implants and other Implantable Auditory Technologies*, April 2008, San Diego, CA.

## **2. Conference Oral Presentations**

- Hartman, L. G. C., Carvalho, D. S., Galoro, C. A. O., Brenelli, S. L., and Carvalho, C. R. O., and Saad M. J. A., “Glucagon and Epinephrine reduce IRS-1 phosphorylation in rat liver”, *1 Cong. Paulista de Endocrinologia e Metabologia*, April, 1994, São Paulo, Brazil.
- Endo, L.H., Sakano, E., Carvalho D.S. Oliveira, U.M., “Bacteriology of normal tonsils surface - A comparative study between summer and winter samples”, *International Symposium on Tonsils*, June, 1995, Sapporo, Japan.
- Carvalho, D.S., Sakano, E., Gomes, C.C. and Montenegro, M.C.S., “Perfuração septal no lúpus eritematoso sistêmico”, (Nasal septal perforation in patients with systemic erythematous lupus), *1 CBREF*, August, 1997, Goiânia, Brazil.
- Sumathi Nambiar, Robert S. Bahadori, Richard Schwartz, Daniela S. Carvalho, Joseph L. Edmonds, Seth M. Pransky, “Intracranial complications of

otomastoiditis in the antibiotic era”, *SENTAC 28<sup>th</sup> Anual Meeting*, October, 2000, Chicago, IL, USA.

- Weg Ongkeko, Daniela Carvalho, Anthony Magit, Seth Pransky, “Nasopharyngeal masses in children: a 10 year experience”, *SENTAC 28<sup>th</sup> Anual Meeting*, October, 2000, Chicago, IL, USA.
- Daniela S. Carvalho, M. Vollrath, Seth M. Pransky, “A New Approach for Branchial II Cleft Fistulas: Embryology and Rationale”, *SENTAC 28<sup>th</sup> Anual Meeting*, October, 2000, Chicago, IL, USA.
- Bloom DC, Carvalho DS, Brewster D, Dory C, Wickersham JK, Kearns DB, “Imaging and surgical approach for excision of nasal dermoids”, *16th Annual Academic Research Competition*, April, 2001, San Diego, CA, USA.
- Bloom DC, Brewster D, Carvalho DS, Kearns DB, “Endoscopic repair of pediatric traumatic laryngeal injury”, *16th Annual Academic Research Competition and Southern California Area Resident Research Symposium*, April, 2001, San Diego, CA, USA.
- Haegan T, Bloom DC, Carvalho D, Edmonds J, Magit A, “Neonatal dermoid cyst of the floor of mouth extending to midline neck”, *16th Annual Academic Research Competition and Southern California Area Resident Research Symposium*, April 2001. Submitted for publication.
- Carvalho DS, Jaffe DM, Pransky SM, “Temporary endoscopic arytenoid abduction in a cerebral palsy patient”, *SENTAC 29th Anual Meeting*, November-December, 2001, San Diego, CA, USA.
- Jaffe DM, Carvalho DS, Lindsay FW, Magit AE, Kang DR, “Third branchial sinus progressing to fistula”, *SENTAC 29th Anual Meeting*, November-December, 2001, San Diego, CA, USA.
- Lindsay FW, Jaffe DM, Carvalho DS, Kang DR, Pransky SM, “Pediatric facial abscess from sinusitis: a case series”, *SENTAC 29th Anual Meeting*, November-December, 2001, San Diego, CA, USA.
- Anthony Magit, Daniela Carvalho, Marcella Bothwell, “Idiopathic Tracheal Stenosis”, *SENTAC 35th Anual Meeting*, November-December, 2007, Milwaukee, Wisconsin, USA
- Meredith Merz, Dale Tylor And Daniela Carvalho, “External Auditory Canal Atresia: Changing Trends In Treatment”, *American Society of Pediatric Otolaryngology Annual Meeting*, May 2008, Orlando, FL, USA.

## 1. INVITED LECTURES

### a. International

- “Microbiologia das Faringoamigdalites no Brasil” (Microbiology of faringotonsillitis in Brazil), with Luiza H. Endo, M.D., PhD. *I Simpósio Internacional de Infectologia em Otorrinopediatria* (1<sup>st</sup> International Symposium of Infectology in Pediatric Otolaryngology), May, 1999, São Paulo, SP, Brazil.
- “Estridor de vias aéreas: Topodiagnóstico e conduta terapêutica” (Stridor: diagnosis and treatment). *35<sup>th</sup> Meeting of the Brazilian Otolaryngology Society*, October 2000, Natal, RN, Brazil.
- “Estridor: Diagnóstico y Tratamiento en el 2001” (Stridor: diagnosis and treatment in 2001). *60<sup>o</sup> National Meeting of the Mexican Society of Pulmonology and Thoracic Surgery*, April 2001, Tijuana, BC, Mexico.
- Speaker of the panel “Diagnóstico e tratamento do estridor na infância” (Diagnosis and treatment of Stridor in children) with the talk “Manutenção da via aérea no recém-nascido” (Airway Management in Neonates). *2<sup>nd</sup> Triological Meeting of the Brazilian Academy of Otolaryngology*, August 2001, Goiânia, GO, Brazil.
- “Atualização em estridor laríngeo na infância” (Update on Stridor in Children). *2<sup>nd</sup> Triological Meeting of the Brazilian Academy of Otolaryngology*, August 2001, Goiânia, GO, Brazil.
- “Manutenção da via aérea no recém-nascido” (Airway Management in Neonates). To the *Neonatal Intensive Care Unit Staff, UNICAMP*, September 2001, Campinas, SP, Brazil.
- “Estridor no período Neonatal” (Estridor in Neonates). To the *Neonatal Intensive Care Unit Staff, UNICAMP*, September 2001, Campinas, SP, Brazil.
- “Traqueostomia” (Traqueostomy). To the *Neonatal Intensive Care Unit Staff, UNICAMP*, October 2001, Campinas, SP, Brazil.
- “A traqueostomia em crianças” (Traqueostomy in children). To the *Nursing School Graduates, UNICAMP*, October 2001, Campinas, SP, Brazil.
- “Estridor e laringites na criança: diagnósticos diferenciais e condutas” (Stridor and laryngitis in Children: Diagnosis and management) *IX Annual Meeting on ENT urgencies*, March 2002, Campinas, SP, Brazil.

- “Massas cervicais na infância: o que fazer?”(Cervical Masses in Children). *Eleventh Conference on Advances in Pediatric Otolaryngology*, April 2002, Campinas, SP, Brazil.
- Coordinator of the panel “Estridor laríngeo” (Laryngeal Stridor). *Eleventh Conference on Advances in Pediatric Otolaryngology*, April 2002, Campinas, SP, Brazil.
- “A criança que baba” (Drooling in Children). *Eleventh Conference on Advances in Pediatric Otolaryngology*, April 2002, Campinas, SP, Brazil.
- “MITOMICINA C: Aplicações em ORL” (Use of Mitomycin C in ENT). *I Workshop ORL-Br*, September 2002, São Paulo, SP, Brazil.
- “Estridor na infância: aspectos relevantes para conduta em pronto-socorro” (Stridor in Children: important aspects of management at the Emergency Room) *X Annual Meeting on ENT urgencies*, March 2003, Campinas, SP, Brazil.
- “Farinfoamigdalites: atualização” (Update on faringotonsillitis) *X Annual Meeting on ENT urgencies*, March 2003, Campinas, SP, Brazil.
- “Malformaciones vasculares” (Vascular malformations). *V IAPO Congress (Interamerican Association of Pediatric Otorhinolaryngology) and I Pediatric Otolaryngology Colombian Congress*, October 2006, Cartagena, Colombia.
- “Implantes cocleares: lo que el pediatra debe de saber” (Cochlear Implants: what the pediatrician should know). *V IAPO Congress (Interamerican Association of Pediatric Otorhinolaryngology) and I Pediatric Otolaryngology Colombian Congress*, October 2006, Cartagena, Colombia.
- “Atualizacoes via aerea pediatrica” (New approaches for the pediatric airway). *Grand rounds at the University of Campinas (UNICAMP)*, June 2007, Campinas, Brazil.
- “Novidades em via aerea infantil” (Updates on the pediatric airway). *V Brazilian Triological Meeting*, June 2007, Brasilia, Brazil.
- “O futuro do Tratamento da Atresia de CAE: BAHA x Reconstrucao de CAE” (The future of the treatment for EAC atresia: BAHA versus atresioplasty). *39th Meeting of the Brazilian Academy of Otolaryngology Face-Head and Neck Surgery*, April 2008, Belo Horizonte, Brazil

## **b. National**

- Endoscopist of the 9<sup>th</sup> *International Endoscopy Day*, May 2001, San Diego, CA, USA.
- “Advances in Cochlear Implants/Difficult Cases”, *San Diego Sound Wave Symposium*, January 2005, San Diego, CA.
- “Congenital Hearing Loss and Newborn Hearing Screening”, *Pediatric CME for the Primary Care Physician*, January 2005, Temecula, CA.
- “Snare Tonsillectomy”, part of the panel “Tonsillectomy – is there a better technique?”, *Middle and Western Sections of the Triological Society Meeting*, February 2006, San Diego, CA.
- “Hearing Loss in Children and the Hearing Clinic”, *to the Children’s Hospital Auxiliary*, February 2006, San Diego, CA.
- “Hearing loss in Children”, *Children’s Primary Care Medical Group monthly educational meeting*, April 2006, San Diego, CA.
- “*Pediatric otology: the realm of pediatric otolaryngologist or otology/neurotologist?*”, panel, SENTAC, October-November 2006, San Francisco, CA.
- “*Cochlear Implants / Devices and Hearing Screening*”, AAP-CA3’s 10<sup>th</sup> Annual School Health Leadership Conference, October 20, 2007, San Diego, CA.
- “*Cochlear Implants: Medical and Surgical Aspects*” and “*Current Trends in Cochlear Implants*”, *Connecting Care for children with cochlear implants: from the clinic to the classroom*, February 2<sup>nd</sup>, 2008, San Diego, CA.
- “*Newborn Hearing Screening*”, Rancho Springs Medical Center, April 2008 Murrieta, CA.
- “*Hearing Loss: Early detection, genetics and management*”, *Essential Topics in Pediatrics 2008: Exploring the developmental spectrum* (UCSD Pediatrics Department), May 17<sup>th</sup>, 2008, San Diego, CA.

- “*Impact of obstructive sleep disorder in school aged children*”, AAP-CA3’s 11<sup>th</sup> Annual School Health Leadership Conference, November 1<sup>st</sup>, 2008, San Diego, CA.

## **2. Journal Reviewer**

- The Journal of Pediatrics  
Elsevier Journals
- International Journal of Pediatric Otorhinolaryngology  
Elsevier Journals

## **3. Conference Chairman**

- “XI Jornada de Atualização em Otorrinolaringologia Pediátrica” – *Eleventh Conference on Advances in Pediatric Otolaryngology*, April 12 and 13, 2002, Campinas, SP, Brazil.
- WESPO (Western Section of the American Pediatric Otolaryngology Society), March 5<sup>th</sup>, 2005, San Diego, CA.
- Organizing committee for the conference “*Connecting Care for children with cochlear implants: from the clinic to the classroom*”, February 2<sup>nd</sup>, 2008, San Diego, CA.

### **Other Activities:**

- “Good vibrations: bone-anchored hearing aid helps young man overcome debilitating birth defect”, *San Diego Union Tribune*, October 25, 2005.
- “BAHA system can restore hearing in some patients”, *KFMB Channel News*, March 13, 2006.
- “My child is pulling the ears and I am scratching my head: is it an ear infection?”, *Temecula and Murrieta Bugles*, November 2006.
- “Two ears sound better than one”, *The Murrieta Bugle*, March 2008.

## **Teaching Assistantship**

- Department of Neuroanatomy  
FCM / UNICAMP

February – July, 1990

- Department of Otolaryngology – Head and Neck Surgery  
FCM / UNICAMP  
March, 1994 – October, 1995

### **Undergraduate Research**

- Laboratory of Biochemistry  
FCM / UNICAMP  
*Effects of Captopril in the Phosphorylation of the Insulin Receptor and IRS-1 in Insulin-sensitive Tissues* under the supervision of Prof. Mario J. A. Saad, PhD.  
May, 1994 – April, 1995

### **Student Instructional Activity:**

- “Tympanoplasty”. UCSD Temporal Bone Course for UCSD residents, May, 1999, San Diego, CA.
- “Vocal cord paralysis in neonates”. NICU cardiac team, July 2000, San Diego, CA.
- “Airway abnormalities in children”. To the Pediatric Intensive Care Unit Staff, August 2000, San Diego, CA.
- “Hearing Loss in Infants and Children”, *Pediatric Grand Rounds at Scripps Mercy Hospital*, October 2004, San Diego, CA.
- “Hearing Loss in Children”, *UCSD/Children’s Hospital of San Diego Pediatric Teaching Conference*, June 2005, San Diego, CA.
- “Pediatric Otology”, *UCSD Division of Otolaryngology-Head and Neck Surgery Faculty Subspecial Seminars 2006 --Otology Quarter*, March 2006, San Diego, CA.
- “Otitis Media and Hearing Loss in Children”, *UCSD/Children’s Hospital of San Diego Pediatric Resident Teaching Conference*, October 2006, San Diego, CA.
- “*Imaging of the ear with embryological correlation*”, in-service to the Rady Children’s Hospital Audiology Department, January 29, 2007, San Diego, CA.

- “*Pediatric and Bilateral Cochlear Implants*”, UCSD Temporal bone course, February 7, 2007, San Diego, CA.
- “*Implantable devices for Hearing Loss in Children: Cochlear Implants and BAHA*”, Surgery Grand Rounds, Rady Children’s Hospital of San Diego, March 14, 2008, San Diego, CA.
- “*Ear canal atresia: BAHA versus EAC reconstruction*”, Lecture for the UCSD residents (core curriculum), March 21, 2008, San Diego, CA.
