

SETH M. PRANSKY, M.D.
CURRICULUM VITAE

December 2nd, 2008

OFFICE: 3030 Children's Way, Suite 402
San Diego, California 92123

TELEPHONE: (858) 309-7701
FAX: (858) 966-8038

EDUCATION: 1971-1973 Yeshiva University
New York, New York

1974-1976 B.A., University of Pennsylvania
Philadelphia, Pennsylvania

1976-1980 M.D., Washington University
St. Louis, Missouri

POSTGRADUATE TRAINING:

1980-1981 Internship-General Surgery, State University of
New York, Upstate Medical Center, Syracuse,
New York

1981-1984 Residency-Otolaryngology, University of
Pennsylvania, Philadelphia, Pennsylvania

1984-1985 Fellowship-Pediatric Otolaryngology, Children's
Hospital, National Medical Center, George
Washington University Washington, D.C.

CERTIFICATION: 1981 Diplomate -National Board of Medical Examiners
1985 Diplomate- American Board of Otolaryngology

LICENSURE:

State of California Medical License 1985
State of Pennsylvania Medical License 1981

FACULTY APPOINTMENTS:

7/81-6/30/84 Assistant Clinical Instructor in Otolaryngology
University of Pennsylvania

7/84-6/30/85 Instructor in Otolaryngology
George Washington University

7/87-present Assistant Clinical Professor
University of California, San Diego

HOSPITAL APPOINTMENTS:

9/85-present Children's Hospital and Health Center, Staff
San Diego, California

9/85-present Mercy Hospital, Staff
San Diego, California

7/86-present Balboa Naval Hospital, Consultant
San Diego, California

6/93-12/97 Palomar Medical Center, Staff
Escondido, California

7/04-present Southwest Healthcare System
Rancho Springs Medical Center
Murrieta, California

7/04-present El Centro Regional Medical Center
El Centro, California

7/06-present Sharp Mary Birch Hospital for Women
San Diego, California

Professional Society Memberships:

American Academy of Otolaryngology Head and Neck Surgery, Fellow -1984

Society for Ear, Nose and Throat Advances in Children, Fellow – 1985

American Society of Pediatric Otolaryngology, Fellow -1987

American Academy of Pediatrics - Section of Otolaryngology
and Bronchoesophagology, Fellow -1987

American Broncho-Esophagological Association, Fellow - 1992

California Medical Association - 1985

San Diego Academy of Otolaryngology - Head and Neck Surgery - 1985

Community Organizations:

Project Talk; Board of Directors - 1987

Congregation Adat Yeshurun: Board of Directors	1998-1999
Vice President	1999-2000
President	2000-2002
Executive Board	2002-2006

Professional Honors:

American Academy of Otolaryngology Honor Award 1994

American Academy of Otolaryngology-peer recognition as one of the top 10 instructors (out of 600) for Instructional Courses 1994

Best Doctors in America 1992-2008 (consecutive years)

San Diego Magazine- Best Doctors in San Diego 2001, 2002, 2003

Gabriel F. Tucker Award by the American Laryngological Association, for outstanding contributions in Pediatric Laryngology 2008

Hospital Committee Appointments and Positions:

Rady Children's Hospital, San Diego:

Quality Assurance Committee Member: 1986-1994
Quality Assurance Committee Vice-Chairman: 1989-1991
Intensive Care Unit Committee: 1987-1988

Children's Health Network Marketing Committee 2001—present

CAMG/Children's Specialists of San Diego

Director, Department of Pediatric Otolaryngology: 1997-present
Executive Board CSSD: 1997-present
Children's Physicians Medical Group Board of Directors: 1998-present
CSSD Committees:
Billing and Information, Vice Chair: 1999-2004
Marketing Committee, Vice Chair: 1999-present
Satellite Committee Vice Chair: 1999-2003
Clinical Practice Committee: Chair 2003-present
North County Escondido Hub Development Committee 2003-2005
Program Chair CME Events 2004-present

Mercy Hospital: Department of Pediatric Otolaryngology Chairman - 1989-1993

National Organizations - Appointments and Elected Positions:

American Society of Pediatric Otolaryngology

Program Committee, Annual Meeting: 1989-1990
Nominating Committee: 1990-1991
Nominating Committee: 1992-1993

Long Range Planning Committee: 1992-1993
Liaison Committee: 1993-1996
Board of Directors: 1994-1996
RRP Task Force: 1995-present
Chairman, Liaison Committee, Board of Directors: 1996-2000
Program Chair Annual Meeting 2003
Pediatric Otolaryngology Leadership Summit Member 2006
Chairman AD-Hoc Leadership: 2005-2007
Chairman Long Range Strategic Planning: 2006-present
Liaison Committee: 2007-present

Society for Ear, Nose and Throat Advances in Children

Committee on Obstructive Sleep Apnea in Children: 1987-1988
Liaison Committee: 1988-1989
Chairman, Committee on Committees: 1989-1990
Board of Directors: 1999-2002
Local Arrangements Chair, Annual National Meeting: 2001
President Elect: 2005-2006
President: 2006-2007
Program Director, Annual Meeting: 2008

American Academy of Pediatrics, Section of Otolaryngology and Bronchoesophagology

Program Chairman ENT Section, Annual Meeting: 1988, 2000, 2004
Chairman, Nominating Committee: 1996
Chair, Liaison Committee: 1998-2000
Executive Board 2001-2007

American Academy of Otolaryngology

Pediatric Otolaryngology Committee: 1990-1996
Sinusitis in Children – Subcommittee: 1993
Otitis Media with Effusion Outcome Measures-Subcommittee: 1996-1997
Blue Ribbon Consensus Panel on Antibiotic Resistance and Treatment of Ear Disease 1999

Alexander Graham Bell Association for the Deaf Medical Advisory Panel: 1991-1994

First International Symposium of Infectious Disease in Pediatric Otolaryngology
Program Committee: 1997

Journal Reviewer:

International Journal of Pediatric Otolaryngology, Editorial Board
Laryngoscope
Journal of Pediatrics
Otolaryngology Head and Neck Surgery
Annals of Otolaryngology, Rhinology and Laryngology
Archives of Otolaryngology

Data Safety Monitoring Board:

National Institute on Deafness and Other Communication Disorders funded study of Celecoxib for the Treatment of Recurrent Respiratory Papillomatosis.
September 2007-present

Instruction Course Director

International Endoscopy Days, San Diego: 1997, 1999, 2001, 2004, 2007
Update in Pediatric Otolaryngology and Allergy: 1990, 1993, 1996, 2000, 2002, 2006

Instruction Courses Presented

American Academy of Pediatrics, Annual National Meeting

Diagnosis and Management of Deep Neck Infections. San Francisco, CA. October 14-18, 1995.

ENT Potpourri: Common Problems in Practice Unraveled. Chicago, IL. October 30, 2000.

- 1) A Practical Guide to Otorrhea.
- 2) Navigating Through Horses and Zebras of Neck Masses.

The Runny Stuffy Nose, Washington, D.C, October 10th-13th, 2005.

American Academy of Otolaryngology, Annual National Meetings

Tracheotomy & Airway Management in Children: 1986, 1987

Stridor in Children and Its Management: 1987-1992

Assessment & Surgical Management of Pediatric Airway Compromise: 1988-2000

Pediatric Tracheotomy: 1991-1993

Functional Endoscopic Sinus Surgery in Young Children: 1990-2000

Chronic Sinusitis in Young Children: 2001-2008

Sharing the Pediatric Airway: 2003 (Loring Pratt College of Pediatric Otolaryngology)

Stridor and the Pediatric Larynx: 2001-2008

Seminars and Invited Lectures:

Guest Faculty, Pediatric Seminar at Grossmont Hospital. Otitis Externa. San Diego, CA. September 1985.

Invited Lecturer, Bay Hospital Continuing Education Conference. Otitis Media. San Diego, CA. September 1985.

Guest Faculty, Ninth Annual Pediatrics Seminar, Grossmont Hospital. Otitis Media. San Diego, CA. November 1985.

Invited Lecturer, University of California, Pediatric Grand Rounds. Treatment of Sinusitis in Children. San Diego, CA. February 1986.

Invited Lecturer, Mercy Hospital, Pediatric Grand Rounds. Airway Problems in the Neonate and Premature Infant. San Diego, CA. May 1986.

Invited Lecturer, University of California San Diego Allergy Conference. Otitis Media, Immune Disease and Allergy. San Diego, CA. June 1986.

Invited Lecturer, Children's Hospital and Health Center of San Diego. Acute Mastoiditis. San Diego, CA. August 1986.

Invited Lecturer, American Academy of Pediatrics. Tonsillectomy and Adenoidectomy - Current Perspectives. New Orleans, LA. October 1987.

Invited Lecturer, Down's Syndrome Association of San Diego. Infections of the Ear. San Diego, CA. October 1987.

Guest Faculty, Seminar at Oakland Naval Hospital. Airway Management in Children. Oakland, CA. January 1988.

Guest Faculty, Seminar at Children's Hospital and Health Center of San Diego. Pediatric Airway Evaluation and Management. San Diego, CA. May 1988.

Panel Member, Pacific Coast Oto-Ophthalmology Society. Vasiform Tumors of Childhood. San Diego, CA. June 1988.

Invited Lecturer, Mercy Hospital Pediatric Surgery Workshop. Pediatric Ear, Nose and Throat Surgery. San Diego, CA. March 1989.

Guest Faculty, Seminar at Oakland Naval Hospital. Laser Endoscopy in Children. Oakland, CA. April 1989.

Panel Member, Pacific Coast Oto-Ophthalmology Society. Controversial Issues in the Management of Subglottic Stenosis in Infants and Children. Kauai, HI. June 1989.

Guest Faculty, Seminar at Grossmont Hospital. The Pediatric Airway. San Diego, CA. June 1989.

Invited Lecturer, San Diego Allergy Society. Recent Advancements in the Treatment of Sinus Disease. San Diego, CA. September 1989.

Invited Lecturer, Mercy Hospital Grand Rounds. Acute Airway Problems in Infants and Children. San Diego, CA. October 1989.

Invited Lecturer, University of California at San Diego Grand Rounds. Neck Masses in Children. San Diego, CA. January 1990.

Invited Lecturer, Balboa Naval Hospital. Congenital Neck Masses in Children. San Diego, CA. February 1990.

Invited Lecturer, California Medical Association, Annual Western Scientific

Assembly. Acute and Chronic Sinusitis in Children. Anaheim, CA. March 1990.

Invited Lecturer, El Centro Perinatal Conference. Airway Problems in Infancy. El Centro, CA. May 1990.

Invited Lecturer, Children's Hospital and Health Center of San Diego, Grand Rounds. Chronic Sinusitis. San Diego, CA. May 1990.

Radio Interview with Station KSDO 1130 AM. Advances in Pediatric Surgery. San Diego, CA. May 1990.

Teaching Faculty Third Pediatric Ear, Nose and Throat Workshop. Sydney, Australia. June 1990:

- 1) Laryngomalacia
- 2) Endoscopic Sinus Surgery
- 3) Tonsil and Adenoid Surgery.

Program Co-Chairman and Teaching Faculty at Seminars in the Sun, Advances in Pediatric Allergy and Otolaryngology. San Diego, CA. June 1990:

- 1) Chronic Sinusitis
- 2) Controversies in Otitis Media.

Invited Lecturer, Neonatal Intensive Care Unit at University of California, San Diego. Neonatal Stridor - Part I. San Diego, CA. November 1990.

Invited Lecturer, Society for Ear, Nose and Throat Advances in Children Annual Meeting. Chronic Sinusitis in Children. December 1990.

Invited Lecturer, Neonatal Intensive Care Unit at University of California. Neonatal Stridor - Part II. San Diego, CA. January 1991.

Invited Lecturer, Karl Storz Endoscopy - America, Inc. The Airway. Indian Wells, CA. February 1991.

Program Coordinator, Mini-Seminar, Children's Hospital and Health Center of San Diego. The Pediatric Airway: Noises You Can't Forget. San Diego, CA. March 1991.

Invited Lecturer, San Diego County Dental Assistants Society. The Importance of the Airway in Orthodontics. San Diego, CA. March 1991.

Invited Lecturer, Mercy Hospital Grand Rounds. Stridor in the Newborn. San Diego, CA. April 1991.

Panel Member, American Society of Pediatric Otolaryngology Annual Meeting. Sinus Disease in Children: Medical vs. Surgical Treatment. Waikoloa, HI. May 9-11, 1991.

Invited Lecturer, American Society of Pediatric Otolaryngology Annual Meeting. Lunch with the Teachers: Sinus Disease in Children. Waikoloa, HI. May 9-11, 1991.

Invited Lecturer, Current Concepts in Pediatric Medicine. Noisy Breathing in Children. San Diego, CA. February 1992.

Invited Lecturer, Current Concepts in Pediatric Medicine. Current Concepts of Otitis Media Therapy. San Diego, CA. February 1992.

Invited Lecturer, University of California Medical Center Irvine Grand Rounds. Stridor in the Infant. Orange, CA. October 1992.

Invited Lecturer, Noon Conference. University of California, San Diego. Stridor - Part I. San Diego, CA. October 1992.

Program Co-Chair and Teaching Faculty - Current Concepts in Pediatric Allergy & Otolaryngology. San Diego, CA. June 1993.

- 1) The Frustration of Chronic Otitis and Sinusitis - When and How to Ventilate.
- 2) Airway Lesions Masquerading as Inflammatory Airway Disease.
- 3) Current Management of Sinusitis.

Invited Lecturer, University of California Medical Center Irvine. Otolaryngology/Head & Neck Surgery Grand Rounds. Congenital Masses of the Head and Neck. Irvine, CA. June 18, 1993.

Invited Lecturer, El Centro Regional Dinner Meeting. Management of Sinusitis in Children. El Centro, CA. September 28, 1993.

Invited Lecturer, Fallbrook Hospital Grand Rounds. Sinusitis in Children. Fallbrook, CA. October 28, 1993.

Invited Lecturer, San Diego Academy of Family Physicians - 38th Annual Postgraduate Symposium. Controversies in Pediatric Chronic Sinusitis - How Do You Manage These Kids? San Diego, CA. July 1-3, 1994.

Invited Lecturer, Children's Hospital and Health Center of San Diego. Grand Rounds. Stridor in Infancy. San Diego, CA. October 7, 1994.

Invited Lecturer, Southern Section Triological Society Meeting. Pediatric Aerodigestive Foreign Body Injuries and Complications: Relationship to Timeliness of Diagnosis. Key West, FL. January 5-7, 1995.

Invited Lecturer, Cornell University Otolaryngology Grand Rounds. Stridor in Children. April 10, 1995.

Invited Lecturer, American Academy of Pediatrics - Annual Meeting Instructional Course. Diagnosis and Management of Deep Neck Infections. San Francisco, CA. October 14-18, 1995.

Program Co-Chairman and Teaching Faculty, Current Concepts in Pediatric Allergy & Otolaryngology. Coronado, CA. July 5-7, 1996.

- 1) Stridor: Not All That Barks is Croup; Not All That Wheezes is Asthma.
- 2) Pediatric Airway: Top to Bottom
- 3) Managing in a Managed Care World

Invited Lecturer, University of California San Diego Emergency Room Grand

Rounds. Emergency Topics in ENT. San Diego, CA. July 16, 1996.

Invited Lecturer, First International Days in Pediatric Otorhinolaryngology Endoscopy. Pediatric Sinusitis. Lyon, France. October 14-15, 1996.

Invited Lecturer, National Association of Pediatric Nurse Practitioners. Otitis Media with Effusion Workshop. San Diego, CA. March 9-10, 1996.

Invited Lecturer, Inland Valley Hospital Grand Rounds. Pediatric Sinusitis. Temecula, CA. May 22, 1996.

Invited Lecturer, The San Diego Cerebral Palsy Symposium. Special Topics - Special Solutions. Drooling. San Diego, CA. January 15-18, 1997.

Invited Lecturer, Children's Hospital and Health Center of San Diego. Occupational Therapy Rounds, Drooling in Children. San Diego, CA. February 11, 1997.

Invited Lecturer, Down Syndrome Association of San Diego. Medical Panel - ENT Problems in Children with Down Syndrome. San Diego, CA. March 5, 1997.

Invited Lecturer, About Face. ENT Concerns & Hearing in Children with Cleft Palate. San Diego, CA. March 27, 1997.

Invited Lecturer, Primary Care Essentials. San Francisco, CA. May 16-20, 1997.

- 1) Otitis Media Management
- 2) Stridor in Children

Panel Chairman, Pacific Coast Oto-Ophthalmology Society. Different Infectious Problems in Pediatric Otolaryngology. San Diego, CA. June 20-24, 1997.

Invited Lecturer, Centre for Health Care. Managing Otitis Media in the Era of Resistance. San Diego, CA. August 14, 1997.

Invited Lecturer, Endoscopy Day of Lyon. Lyon, France. March 2-3, 1998.

- 1) The Iatrogenic Pediatric Airway
- 2) The Normal Pediatric Larynx

Invited Lecturer, University of California Irvine Pediatric Grand Rounds. Summ-ear. Irvine, CA. July 22, 1998.

Invited Lecturer, Children's Hospital and Health Center of San Diego Pediatric Grand Rounds. Summ-ear. San Diego, CA. July 24, 1998.

Invited Lecturer, Pediatrics 101, Children's Hospital and Health Center of San Diego. Say Ahh - Throat Problems, Ear Infections and Resistant Bacteria. San Diego, CA. September 24, 1998.

Invited Lecturer, University of California Irvine ENT Grand Rounds. What's New in the Management of the Pediatric Airway. Irvine, CA. October 14, 1998.

Invited Lecturer, Primary Children's Medical Center Pediatric Grand Rounds. The Draining Ear. Salt Lake City, UT. October 22, 1998.

Invited Lecturer, American Academy of Pediatrics, Chapter 3 Quarterly Meeting. Assessment and Management of Stridor in Infancy. Laguna, CA. January 19, 1999.

Panel Member, American Academy of Otolaryngology, Blue Ribbon Consensus Panel on Antibiotic Resistance and Treatment of Ear Disease. St. Petersburg, FL. February 12-13, 1999.

Invited Lecturer, Western Section of American Society of Pediatric Otolaryngology. Office Pediatric Otolaryngology Practice - Pearls and Perils. Los Angeles, CA. March 6, 1999.

Invited Lecturer, Pediatrics 101, Children's Hospital and Health Center of San Diego. Ear Infections. San Diego, CA. March 16, 1999.

Invited Lecturer, Cedars Sinai Medical Center Pediatric Grand Rounds. The Draining Ear. Los Angeles, CA. April 15, 1999.

Invited Lecturer, Coronado Hospital Medical Staff Dinner Meeting. The Draining Ear. Coronado, CA. May 12, 1999.

Visiting Professor, Invited Lecturer, Shaare Zedek Medical Center Grand Rounds. Pediatric Stridor. Jerusalem, Israel. June 23, 1999.

Invited Lecturer, Advances in Pediatric Laryngology, A Tribute to John Evans. Great Ormond Street Hospital for Children. Subglottic Hemangioma. London, England. July 1-2, 1999.

Course Co-Director and Teaching Faculty, Current Concepts in Pediatric Allergy & Otolaryngology. San Diego, CA. July 16-18, 1999.

- 1) Summ-Ear: Ears that Leak
- 2) The Stridorous Infant - When Croup Isn't Croup

Invited Lecturer, Scripps Memorial Hospital East County Grand Rounds. Otitis Externa. El Cajon, CA. July 21, 1999.

Invited Lecturer, Pediatrics 101, Children's Hospital and Health Center of San Diego. Ear Infections. San Diego, CA. September 1, 1999.

Invited Lecturer, Faculty, The Fetus and Newborn, State of the Art Care. Airway Problems in the Neonate: Assessment and Management. La Jolla, CA. September 24, 1999.

Faculty, Invited Lecturer, International Pediatric Otolaryngology Endoscopy Days of Rotterdam. Papillomatosis. Sophia C.V., Rotterdam, The Netherlands. October 21-22, 1999.

Invited Lecturer, San Diego Emergency Department Physician. Common ER Problems: Otorrhea, Nosebleeds and Foreign Bodies. San Diego, CA. November 16, 1999.

Invited Lecturer, Balboa Naval Hospital, ENT Department Journal Club. Otorrhea. San Diego, CA. January 27, 2000.

Invited Lecturer, Faculty, Otolaryngology Update. Waikiki, Honolulu, HI. February 12-15, 2000.

- 1) Technique of Pediatric Airway Endoscopy
- 2) Pediatric Stridor: All That Barks
- 3) T&A: Parental and Physician Anxieties
- 4) Pediatric Neck Masses: Horses & Zebras
- 5) Pediatric Sinusitis: Medical Treatment
- 6) Pediatric Sinusitis: Surgical Treatment

Invited Lecturer, Sharp Rees-Stealy Medical Group. Otorrhea-Tympanostomy Tubes & Beyond. San Diego, CA. March 15, 2000.

Invited Lecturer, Scripps Clinic Continuing Medical Education Program. Tympanostomy Tubes & Otorrhea: A Paradigm Shift. La Jolla, CA. August 2, 2000.

Panel Member, Invited Lecturer, Pediatric Review Meeting on Treatment Options for Otitis Media. Boston, MA. August 14-15, 2000.

Panel Member, American Academy of Otolaryngology-Head & Neck Surgery, Annual Meeting, Pediatric Airway Panel. Complications of Single Stage Laryngotracheal Reconstruction. Washington, D.C. September 25, 2000.

Invited Lecturer, Pediatric ENT Instructional Course Coordinator and Faculty, American Academy of Pediatrics Annual Meeting. ENT Potpourri: Common Problems in Practice Unraveled. Chicago, IL. October 30, 2000.

- 1) A Practical Guide to Otorrhea.
- 2) Navigating Through Horses and Zebras of Neck Masses.

Invited Lecturer, American Academy of Pediatrics, Chapter 4, Continuing Medical Education Program. Understanding and Dealing with Tympanostomy Tubes. San Diego, CA. November 16, 2000.

Faculty, Pediatric Update, AAP Chapters 1, 2, 3, 4. Las Vegas, NV. November 21-24, 2002

- 1) Stridor: Not All That barks Is Croup
- 2) Practical issues With The Nose
- 3) Pediatric Neck Masses: Horses and Zebras
- 4) Indications For and Management of Tympanostomy Tubes

Invited Lecturer, Cidofovir and Recurrent Respiratory Papillomatosis: 3rd International Symposium in Pediatric Infectious Diseases in ENT. Sao Paulo, Brazil March 29-30th, 2003

Invited Lecturer, New Advances in Topical Treatment of the Draining Ear. San Francisco, CA. May 31st, 2003

- 1) Overview of Treatment of the Draining Ear
- 2) Tympanostomy Tube Otorrhea

Visiting Professor, Invited Lecturer, Pransky, SM: International Dialogues in Pediatric Otolaryngology: Paris, France: Changing Physician Behavior in the Era of New Health Care Systems, June 23rd-25th, 2003

Invited Lecturer, Vancouver Children's Hospital, Recurrent Respiratory Papillomatosis: Treatment with Cidofovir. Vancouver, B.C., Canada August 11th, 2003.

Invited Lecturer, Society for Ear, Nose and Throat Advances in Children: 29th Annual National Meeting, Update on the Management of Otorrhea. New Orleans, LA., October 30th, 2003

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media: CPCMG Physicians, Encinitas, CA. January 15th, 2004

Faculty, Invited Lecturer, Otolaryngology Update: Colorado Mid-Winter Meeting. Vail, Colorado, February 1-5, 2004

- 1) Laryngeal Papillomatosis Update
- 2) Problems and Controversies in Endoscopic Sinus Surgery Panel Discussion

Faculty, Invited Lecturer, Otolaryngology Update Hawaii. Honolulu, Hawaii and Maui, Hawaii, February 17-24, 2004

- 1) Managing Recurrent Respiratory Papillomatosis
- 2) AAP Guidelines for Acute Otitis Media and PE Tubes
- 3) Sharing the Pediatric Airway with Anesthesia: Staying Out of Trouble
- 4) Management of Otorrhea Update
- 5) Approach to Pediatric Sensorineural hearing Loss
- 6) Changing Physician Behavior: CHSD Experience with Pathways

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media: Riverside, CA, Feb 25th, 2004

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media: Phoenix, Arizona, March 4th-5th, 2004

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea: Los Angeles, CA, March 10th, 2004

Invited Lecturer, AAP Chapter 4 Quarterly Meeting. Otitis Media and Tubes: Decision Making and Management Concerns. Orange, CA., March 16th, 2004

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media: Costa Mesa, CA., March 23rd, 2004

Invited Lecturer, Stanford University Otolaryngology Grand Rounds: Management of Otorrhea, Palo Alto, CA., April 1st, 2004

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea: Temecula, CA., April 14th, 2004

Invited Lecturer, Optimizing the Treatment of Acute Otitis Externa, La Jolla, CA. Media, April 15th, 2004

Invited Lecturer, UCSD Department of Otolaryngology Grand Rounds: Pediatric Respiratory Papillomatosis, La Jolla, CA. June 4th, 2004

Invited Lecturer, In-service to OR personnel on Recurrent Respiratory Papillomatosis, San Diego, CA. June 18th, 2004.

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea, Riverside, CA. July 7th, 2004.

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea, Tucson, Arizona, July 12th, 2004

Invited Lecturer, Continuing Professional Education Pediatric Otolaryngology Fellows. Otitis, Otorrhea and Tubes: The Impact of Recent Guidelines on Clinical Practice, Fort Worth, Texas, October 15-17, 2004

Invited Lecturer, California Academy of Physicians Assistants (CAPA) 28th Annual Conference. Optimal Management of Acute Otitis Media, October 22nd, 2004

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media: Thornton Hospital, La Jolla, CA., Nov 3rd, 2004

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media, Grand Rounds Riverside Community Hospital, Riverside, CA. January 2005

Faculty, Invited Lecturer, Otolaryngology Update: Colorado Mid-Winter Meeting, Vail, Colorado Jan 31st-Feb 2nd, 2005

1. Laryngeal Papillomatosis Update 2005
2. Changing Physician Behavior: The San Diego Children's Hospital Experience with Pathway Development

Invited Lecturer, Tricity Hospital Grand Rounds. Optimizing the Treatment of Acute Otitis Media. Oceanside, CA. February 16, 2005

Invited Lecturer, Monmouth Medical Center Grand Rounds. Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea. Monmouth, NJ. February 25th, 2005

Invited Lecturer, Stanford University ENT Department Grand Rounds. Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea. March 10th, 2005

Invited Lecturer, Western Pediatric Otolaryngology Group (WESPO) Moderator for meeting on Pediatric Ear Disease, San Diego, CA. March 12th, 2005

Invited Lecturer, Paradise Valley Hospital Grand Rounds. Optimizing the Treatment of Acute Otitis Media, San Diego, CA. May 25th, 2005

Visiting Professor, Invited Lecturer, Tel-Aviv Sourasky Medical Center Grand Rounds. Current Concepts in the Management of Otitis and Otorrhea, Tel-Aviv, Israel March 29th, 2005

Faculty, Invited Lecturer, International Federation of Oto-Rhino-Laryngological Societies. Rome, Italy, June 25-30, 2005

- 1). Outpatient Tonsillectomy in Pediatrics-Children's San Diego Approach
- 2). Round table: T & A: Indications, Armamentarium and Outcomes

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea, Newport Beach, CA. June 18th, 2005

Faculty, Invited Lecturer, Australia-Asian Society Pediatric Otolaryngology Meeting, Fiji, July 10-14, 2005

- 1) Update Laryngeal Papillomatosis
- 2) Management of Subglottic Hemangioma

Invited Lecturer, Children's Hospital, San Diego Grand Rounds, Ankyloglossia in Newborns, San Diego, CA., August 5th, 2005

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea, Riverside, CA., August 11th, 2005

Invited Lecturer, Current Concepts in the Treatment of the Otitis Externa and Tympanostomy Tube Otorrhea, Temecula, CA., August 25th, 2005

Invited Lecturer, Optimizing the Treatment of Acute Otitis, Phoenix, AR., Media August 31st, 2005

Faculty, Invited Lecturer, American Academy of Pediatrics Annual Meeting, Instructional Course (2 hrs): The Runny Stuffy Nose, Washington, D.C, October 10th-13th, 2005.

Invited Lecturer, Chilean National ENT Meeting. Santiago, Chile Nov 3-5, 2005
Seven (7) lectures delivered.

Invited Lecturer, Optimizing the Treatment of Acute Otitis Media, Rancho Bernardo, CA. December 14th, 2005

Invited Lecturer, University of Texas Otolaryngology Grand Rounds The Surgical Management of Pediatric Sinusitis: Current Concepts, January 12, 2006.

Faculty, Invited Lecturer, The Ultimate Colorado Mid Winter Meeting: Department of Otolaryngology University of Colorado School of Medicine. What Will Be the Impact of the HPV Vaccine on RRP in Children?, Vail, Colorado. Jan 28-30th, 2006.

Visiting Professor, Invited Lecturer, Royal Society of Medicine, Section of Laryngology and Rhinology. Update on Recurrent Respiratory Papillomatosis London, England March 3rd, 2006.

Visiting Professor, Invited Lecturer, Israeli Society of ENT Annual Meeting, Eilat, Israel, March 8-11, 2006

- 1.) Otorrhea in Children
- 2.) Recurrent Respiratory Papillomatosis

Visiting Professor Invited Lecturer, University of Manitoba, Winnipeg, Manitoba, May 4th-5th, 2006

- 1) Diagnostic and Management Strategies for Laryngeal Abnormalities in Children-Not all that Wheezes is Asthma.
- 2) Medical and Surgical Management of Chronic Sinusitis in Children-Oh No, It's a Green Runny Nose Again!

Panel Member, American Laryngologic Association National Meeting, Chicago, IL. May 21st, 2006 Robin Cotton Panel: Recurrent Respiratory Papillomatosis Update

Invited Lecturer, Current Concepts in Pediatric Allergy and Otolaryngology San Diego 2006, San Diego, CA. May 26-28, 2006

- 1) Tympanostomy Tube Otorrhea: Treating the First Infection
- 2) Moderator: Panel discussion: Guidelines-Friend or Foe

Invited Lecturer, Concepts in the Treatment of AOE & AOMT, Redondo Beach, CA. June 8, 2006

Invited Lecturer, IXth International Congress of the European Society of Pediatric Otorhinolaryngology, Paris, France, June 18-21, 2006

- 1) Day Care Surgery in Pediatric ENT
- 2) Chair: Papillomatosis session

Invited Lecturer, Rady's Children's Hospital San Diego, Pediatric Teaching Conference Schedule, Surgical Shared Conference, Stridor, San Diego, CA. August 7, 2006

Invited Lecturer, Eye and Ear Update, San Diego, CA. August 10, 2006

Television Interview, Station KFMB Channel 10, Tonsillectomy and ADD, San Diego, CA, September 27, 2006

Visiting Professor, Invited Lecturer, IAPO Congress (Interamerican Association of Pediatric Otorhinolaryngology) and Pediatric Otolaryngology Colombian Congress, Cartagena, Colombia October 2006

- 1) Surgical management of Subglottic Hemangioma
- 2) Outpatient Issues in Adenotonsillectomy- Rady's Children's Hospital San Diego Approach
- 3) Recurrent Respiratory Papillomatosis: Update 2006

Invited Lecturer, HPV Disease Awareness: Burden of Illness, Santa Monica, CA, January 10, 2007

Faculty, Invited Lecturer, The Ultimate Colorado Mid-Winter Meeting: An Otolaryngology Update, Vail, Colorado, January 31, 2007. What will be the Impact of the Human Papilloma Vaccine on Recurrent Respiratory Papillomas in Children?

Visiting Professor Invited Lecturer, Association of French Pediatric Otolaryngology Annual Meeting, Paris, France, March 2007

- 1) Outpatient Tonsillectomy: Children's Hospital San Diego Experience
- 2) Round table Discussion: Surgical Techniques in T & A

Invited Lecturer, Otitis Update, La Jolla, CA, May 16, 2007

Faculty, Invited Lecturer, American Academy of Pediatrics, Pediatrics in the Islands Clinical Pearls 2007, AAP Chapter 2 meeting, Maui, Hawaii. June 23rd-June 29th, 2007

- 1) Update on Management of External Otitis
- 2) Not all that Barks is Croup: Not all that Wheezes is Asthma
- 3) Sinusitis: Medical Management and Surgical Indications

- 4) The Draining Ear
- 5) Pediatric Neck Masses: Horses & Zebras

Visiting Professor, Invited Lecturer, Colombian Society of Otolaryngology- Head and Neck Surgery, Bogota, Colombia, August 30- September 1, 2007

- 1) Stridor and the Pediatric Larynx
- 2) Update on RRP including the HPV Vaccine
- 3) Management of Subglottic Hemangioma
- 4) Evaluation and Management of Sinusitis in the Young Child

Faculty, Invited Lecturer, AAP Chapter 4 Meeting: Current Advances in Pediatrics, Newport Beach, CA. October 12-14, 2007

- 1) What the Pediatrician Needs to know about the nose.
- 2) Sinusitis in Children: A Comprehensive Overview
- 3) Lumps & Bumps: Horses & Zebras
- 4) Why Ankyloglossia Matters

Invited Lecturer, The Role of the HPV Types 6 & 11 in the Pathogenesis of HPV Related Diseases, Los Angeles, CA. November 14, 2007

Faculty, Invited Lecturer, Ultimate Colorado Mid-Winter Meeting, Vail, Colorado, January 27-31, 2008

- 1) Strategies in Dealing with Nasal Obstruction in the Pediatric Population
- 2) Tweaking Your Practice

Invited Lecturer, Practical Pearls for the Primary Care Physician, Temecula, CA. March 15, 2008

Visiting Professor, Invited Lecturer, LXVII Mexican Society National Congress of Pulmonology and Thoracic Surgery, Ixtapa Zihuatanejo, Mexico, March 24-28, 2008

- 1) Sinusitis and Asthma
- 2) Recurrent Laryngeal Papillomatosis Present and Future

Invited Lecturer, Arthro Care ENT, Symposium on Coblation in Treatment of Laryngeal Lesions, Orlando, Florida, May 2, 2008

Visiting Professor, Invited Lecturer, XXIV Congreso Nacional De Otorrinolaringología, Cirugía De Cabeza y Cuello, Maxiofacial Y Estética Facial, Medellín, Colombia, May 22-25, 2008

- 1) Upper Airway Obstruction
- 2) Stridor in Infancy: Approach and Treatment
- 3) Recurrent Papillomatosis and Oropharyngeal Carcinoma: Treatment of Papilloma Virus Present and Future.

Invited Lecturer, Update On The Management of External Otitis/Otorrhea. San Bernardino, CA, June 11, 2008

Invited Lecturer, Eye and Ear Update: Otorrhea Management 2008. Huntington Beach, CA. August 2, 2008

Faculty, AAP National Meeting Otolaryngology Head and Neck Section Program. Sharing the Airway. Boston, MA. Oct 12, 2008

Scientific Presentations:

American Academy of Otolaryngology - Head and Neck Surgery, Scientific Exhibit: "Fiberoptic Fluorometry in the Assessment of Skin Flap Perfusion". New Orleans, LA. October 1982.

American Academy of Otolaryngology - Head and Neck Surgery, Scientific Exhibit: "Anterior Larynx - Anatomic Misnomer". Anaheim, CA. October 1983.

Society for Ear, Nose and Throat Advances in Children, "Glossomandibular Dysgenesis: A Case Report and Review of the Literature". San Diego, CA. December 1983.

Society for Ear, Nose and Throat Advances In Children, "Laryngeal Diversion in Children". New Orleans, LA. November 1984.

American Broncho-Esophagological Association, "Differentiating Upper From Lower Airway Compromise in Neonates". West Palm Beach, FL. May 1985.

Society for Ear, Nose and Throat Advances in Children, Denver, Colorado. December 1987:

1. "The Approach to the Failed Cricoid Split"
2. "Avoiding Recurrence in Preauricular Sinuses"
3. "Medical Adenoidectomy - A New Approach to an Old Problem"

American Broncho-Esophagological Association. "Prospective Study of Subglottic Stenosis in Intubated Neonates". West Palm Beach, FL. April 1988.

American Society of Pediatric Otolaryngology, "Severe Laryngomalacia: Constellation of Associated Diseases". Kiawah Island, SC. May 1988.

Society for Ear, Nose and Throat Advances in Children, "Office Uses of Fiberoptic Nasopharyngolaryngoscopy in Children". New York, NY. December 1988.

American Society of Pediatric Otolaryngology, San Diego, CA. May 1989:

1. "Laryngotracheal Reconstruction: A New Stenting Technique"
2. Scientific Poster and Videotape Presentation: "Surgical Management of Laryngomalacia"
3. Scientific Poster Presentation: "Do Angiofibromas of the Anterior Nasal Cavity Exist?"
4. Scientific Poster Presentation: "Early Home Management of the Patient with Pierre-Robin Sequence"
5. "Laryngeal Diversion in the Treatment of Chronic Aspiration in Children"

Society for Ear, Nose and Throat Advances in Children, "Fourth Branchial Pouch Sinus" - Principles of Diagnosis and Management. Los Angeles, CA. December 1989.

Triologic Society Western Section, "Atypical Mycobacteriosis - Endemic to San Diego". Pebble Beach, CA. January 1990.

American Society of Pediatric Otolaryngology. Toronto, Ontario, Canada. May 1990:

1. "Actinomycosis in Tonsillar Hypertrophy and Recurrent Tonsillitis"
2. "One Stage Reconstructive Laryngotracheoplasty"
3. "Prognostic Value of Endotracheal Tube Air Leak Following Tracheal Surgery in Children"
4. Scientific Poster Presentation: "Subglottic Hemangioma - An Open Surgical Approach"

Society for Ear, Nose and Throat Advances in Children, "Gastric Choristoma". Washington, DC. December 1990.

Society for Ear Nose and Throat Advances in Children, "Candida Laryngotracheitis". Washington, DC. December 1990.

American Bronchoesophagology Association, "Pediatric Airway Manifestations of Gastroesophageal Reflux". Kona, HI. May 1991.

American Society of Pediatric Otolaryngology, Scientific Poster, "Usefulness of Auditory Brainstem Response in Cleft Palate Infants". Waikoloa, HI. May 1991.

American Society of Pediatric Otolaryngology, Scientific Poster, "Congenital Subglottic Stenosis -A Guideline to Surgical Intervention". Waikoloa, HI. May 1991.

Society for Ear, Nose and Throat Advances in Children, "Fibrous Hamartoma of Infancy Presenting as a Perspiring Neck Mass", Galveston, TX. December 1991.

American Society of Pediatric Otolaryngology, Palm Desert, CA. April 1992:

- 1) Scientific Poster, "Teflon Stents After Choanal Atresia Repair"
- 2) Scientific Poster, "Teflon Middle Meatal Splints After Pediatric Functional Endoscopic Sinus Surgery (FESS)"
- 3) Scientific Poster, "Neonatal Otitis Media: An Update"

American Academy of Otolaryngology - Head and Neck Surgery Foundation, Inc., Annual Meeting. "Temporal Bone Fractures in Young Children", Washington D.C. September 1992.

Society for Ear, Nose and Throat Advances in Children, "Nasal Hamartoma: Case Report & Review of the Literature", Toronto, Canada. December 1992.

Society for Ear, Nose and Throat Advances in Children, "Airway Compromise Secondary to Vascular Compression in a Neonate", Toronto, Canada. December 1992.

American Society of Pediatric Otolaryngology, "Avoiding Recurrence of Preauricular Sinus", Los Angeles, CA. April 1993.

American Society of Pediatric Otolaryngology, "Endoscopic Sinus Surgery in Preschool Age Children", Los Angeles, CA. April 1993.

Society for Ear, Nose and Throat Advances in Children, "Single Stage-Tracheal Reconstruction of Congenital Tracheal Stenosis", Sacramento, CA. December 1994.

American Society of Pediatric Otolaryngology, Tenth Annual Meeting. Discoordinate Pharyngolaryngomalacia: A New Clinical Entity. Durango, CO. May 27-30, 1995.

Society for Ear, Nose and Throat Advances in Children. Cancun, Mexico. Nov 31-Dec 3, 1995:

- 1) Bi-Level Positive Airway Pressure (Bi-PAP) in Upper Airway Obstruction.
- 2) Psychosocial & Medical Care of Tonsillectomy/Adenoidectomy in Autistic & Developmentally Delayed Children.

Society for Ear, Nose and Throat Advances in Children, Cystic Hygromas Masquerading as Deep Neck Space Infections, Cincinnati, OH. December 1996.

Dialogues in Pediatric Otolaryngology, Legacy of Tympanostomy Tubes - How Can We Improve? Jamaica. January 1997.

First International Symposium on Infectious Diseases in Pediatric Otolaryngology, Aspen, Colorado. August 10-12, 1997:

- 1) Documentation of the Prevalence of Penicillin-Resistant Streptococcus pneumoniae Isolated from the Middle Ear and Sinus Fluid of Children Undergoing Tympanocentesis or Sinus Lavage
- 2) Clinical Response to Intralesional Cidofovir Inject (VistideR) for Severe Recurrent Respiratory Papillomatosis in Children

Society for Ear, Nose and Throat Advances in Children, St. Petersburg Beach, Florida. December 4-7, 1997:

1. An Unusual Case of Hypopharyngeal Hairy Polyp Causing Airway Obstruction in a Neonate
2. KTP Laser Under Endoscopic Control for the Treatment of Subglottic Hemangioma in Children

American Society of Pediatric Otolaryngology, Cidofovir and Recurrent Respiratory Papillomatosis. Palm Desert, CA. May 1998.

Society for Ear, Nose and Throat Advances in Children, Myringotomy Tubes and the Cleft Palate Child. Williamsburg, VA. 1999.

American Society of Pediatric Otolaryngology, Clinical & Histological Update on 10 children Treated with Intralesional Cidofovir Injections for Severe Recurrent Respiratory Papillomatosis. Palm Desert, CA. April 29, 1999.

Scientific Poster - Western Regional Meeting Pediatric Research. Ectopic thyroid hyperplastic nodule. Carmel, CA. February 10, 2000.

Scientific Poster, The American Broncho-Esophagological Association, AKTP Laser Treatment of Subglottic Hemangioma. Orlando, FL. May 15-16, 2000.

Society for Ear, Nose, and Throat Advances in Children. Chicago, IL. October 26-29, 2000:

1. Intracranial Complications of Otomastoiditis in the Antibiotic Era
2. A New Approach for Branchial-II Cleft Fistulas: Embryology & Rationale
3. Nasopharyngeal Masses in Children: A 10-Year Experience

3rd International Symposium in Pediatric Infectious Diseases in ENT. Cidofovir and Recurrent Respiratory Papillomatosis. Sao Paulo, Brazil March 29-30th, 2003

American Broncho-Esophagological Association Histological Review of Cidofovir Treated Respiratory Papillomatosis Phoenix, AZ April 30th, 2004

American Society of Pediatric Otolaryngology: Long Term Experience with Intralesional Cidofovir for the Management of Pediatric Recurrent Respiratory Papillomatosis: Nashville, TN May 5th, 2004

Scientific Poster: Methicillin Resistant Staphylococcus Aureus Otorrhea in the Pediatric Outpatient Setting. American Society of Pediatric Otolaryngology 19TH Annual Meeting May 2nd-3rd, 2004 Phoenix, Arizona

Society of Ear, Nose, and Throat Advances in Children. Toronto, Canada Dec 2 - Dec 5, 2004

- 1) Bilateral Congenital Cholesteatoma.
- 2) Mediastinal Pseudodiverticulum Presenting as Respiratory Failure in the Neonate.
- 3) Use of Microdebrider for Subglottic Lesions in Pediatric Patients.
- 4) Vocal Cord Paralysis as a Complication of Chickenpox.

American Society Pediatric Otolaryngology: Novel Applications of the Microdebrider in Pediatric Airway Cases. May 28-30th, 2005 Las Vegas, NV

Society of Ear, Nose and Throat Advances in Children. Subglottic Hemangioma Database: A New Instrument to Evaluate the Efficacy of Different Treatments Baltimore, MD, Dec 1-4, 2005

American Society of Pediatric Otolaryngology. Efficacy of treating children with anterior commissure and true vocal fold respiratory papilloma with the 585 nm pulsed dye laser. Chicago, IL May 22nd, 2006

American Society of Pediatric Otolaryngology. Fatal and non-fatal food injuries among children (aged 0-14 years) Chicago, IL May 22nd, 2006

Society for Ear, Nose and Throat Advances in Children Severe and Prolonged Otagia Following Acute Acoustic Trauma in a 14 year old Female: Difficulties in Diagnosis and Management. San Francisco, CA December, 1st 2006

Scientific Poster: Pediatric Inferior Turbinate Reduction: Short- and Long-Term Improvement by Treatment Modality American Rhinologic Society: 54th, Chicago, IL Sept. 20th, 2008
